2. Once your application has been received you will be added to the club internet list and receive a copy of the RAT Book.

3. You must attend one general RAT meeting to learn more about the club and meet members. Check on the RAT website (www.ratagility.com) or club internet list for meeting locations and times. Once you have attended your first meeting you will have *gifted* MIGS status and be eligible for all of the benefits of a MIGS, except for the right to vote. Once you have volunteered at two trials you will have the right to vote.

4. There is a 30-day period within which RAT members can submit written objection to your membership. After this you are officially a member.

Once You Become A RAT Member:

RAT is a working club! To provide seminars, trials and other club services, we rely on the voluntary participation of our members. Once you become a RAT member, get the most out of your membership through active involvement in club activities - volunteer to work at trials, serve on a committee, and attend RAT meetings! To qualify for MIGS status after the first year, and keep voting privileges, you must have attended at least one club meeting and worked at least 2 RAT sponsored trials in the previous 12 months. We encourage you to begin working for MIGS status as soon as possible after you join RAT to retain all of your member benefits past your first year.
