## Helpers

We need your help! These shows are small and fun, and capture the feeling of agility in its early days. They necessitate people stepping in for parts of small classes to help out, and on competitors to be "self help" whenever possible. Please join us in feeling the community spirit and volunteering whenever you can.

## **Masters Series Tournament Rules**

The aim of the Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

**General Rules** Open to all UKI Level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first (Amendments to 2<sup>nd</sup> Edition Rule Book). If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6 minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a large enough gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. Handlers must run for competition in both rounds to receive a combined score and be eligible for the Final, awards & prizes. The dog must run in the height that he will compete at in the Master's Final. The same dog and handler must run both rounds. Any extraordinary circumstances to be ruled by UKI.

**Scoring** Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor.

**Final Qualification** –2 ways to Qualify: **A.** Individual Winners of the Masters Agility & Jumping class will qualify for the Final (even if an E is earned in the other round). **B.** 1st & 2nd Overall will qualify for the Final (**neither round may have an elimination**). Only the handler who qualifies the dog through a Master's Heat may run the dog in the Final. If you do not qualify at a local Masters Heat, there will be a last chance heat at the UKI US Open. Final to be held at the USA Open.

**Prizes** Entry fee = \$32.00 \$5.00 placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide." \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund.

After this time, **All new dogs** that **have not** competed at any listed organization at time of UKI registration are only eligible for Beginners with exception to Amendment June 1, 2015 unless that handler is currently competing with a International Program Champ level dog under their account, then the dog must start in Novice. All new dogs registered after Handler registration may only transfer at the level they were competing at on the date of the Handler registration. Once a dog is registered with UKI, then no other organizations results have bearing on the dog's level with UKI.

## **2018 CLEAR MIND AGILITY INTERNATIONAL LEAGUE RULES**

### **DATES:**

- October 18 – Agility and Jumping
- October 25 – Agility and Gamblers
- November 1 – Agility and Speedstakes
- November 15 – Agility and Snooker
- December 6 – Agility and Snakes and Ladders
- December 13 – Agility and Jumping

### **LOCATION:**

### **COST:**

The cost for League is \$125 per dog/handler team. \$100 of your entry goes toward entry fees, and the remaining \$25 of your entry goes in to the prize fund. In order to be on a team, you must enter ALL classes on ALL dates offered. You can still enter any of these dates as UKI show, but in order to participate in the League, you must be present for all dates OR arrange for a substitute to take your place if you cannot be present.

### **PRIZES:**

The prize fund will be split as follows amongst the top three placing teams:

| TEAM PLACEMENT | % OF TOTAL FUND |
|----------------|-----------------|
| FIRST PLACE    | 60%             |
| SECOND PLACE   | 25%             |
| THIRD PLACE    | 15%             |

#### TEAMS:

Teams will consist of three dog/handler teams. A handler may only be on a team with one dog. Teams may be mixed in level (Beginner/Novice or Champ/Senior). All scores will count, no scores will be dropped.

#### SCORING:

Runs will be scored as follows for team scoring:

- Each dog will have 200 points to start with for each Agility run. Time and faults will be subtracted from that 200 points. Refusals and standard course faults will result in 5-point deductions, and off courses or eliminations will result in 20 point deductions. Failure to complete a run and get a time will result in a 150 point deduction. NFC runs will result in a 200 point deduction.
- Each dog will have 150 points to start with for each Jumping run. Time and faults will be subtracted from that 200 points. Refusals and standard course faults will result in 5-point deductions, and off courses or eliminations will result in 20 point deductions. Failure to complete a run and get a time will result in a 150 point deduction. NFC runs will result in a 200 point deduction.
- Each dog will have 100 points to start with for each Gamblers run. Times will not add or subtract to your score in Gamblers for point accumulation. Opening points will be added to your score, and if you are successful in the gamble, 2x the closing points will be added to your score. NFC runs will result in a 50 point deduction.
- Each dog will have 150 points to start with for each Speedstakes run. Time and faults will be subtracted from that 150 points. Refusals and standard course faults will result in 5-point deductions, and off courses or eliminations will result in 20 point deductions. Failure to complete a run and get a time will result in a 100 point deduction. NFC runs will result in a 150 point deduction.
- Each dog will have 100 points to start with for each Snooker run. Time will be subtracted from that starting 100 points. 2x the amount of points you score in Snooker will be added to your score for League Scoring purposes. So, a score of 51 in Snooker with a time of 38 seconds would mean  $100+(2*51)-38=164$  points. NFC runs will result in a 50 point deduction.
- Each dog will have 100 points to start with for each Snakes and Ladders run. Time will be subtracted from that starting 100 points. 5x the amount of points you score in Snakes and Ladders will be added to your score for League Scoring purposes. So, a score of 14 in Snakes and Ladders with a time of 38 seconds would mean  $100+(5*14)-38=132$  points. NFC runs will result in a 50 point deduction.
- In the case of a tie, the number of points that a team has scored in Agility will determine the tiebreaker. If two teams have an equal number of overall points and an equal number of points in Agility, the team with the most points in Jumping will win the tiebreaker. The third tiebreaker will be Gamblers, the fourth tiebreaker will be Snooker, the fifth tiebreaker will be Speedstakes, and the final tiebreaker will be Snakes and Ladders.
